Goal #2: To increase School Climate star rating from a level 3 to level 4 on the CCRPI by the end of the 2023 academic year.

Goal #3: To Increase the percentage of students reading at or above grade level from 50% to 60% as measured by the Reading inventory Assessment by May 2023.

School Plan for Shared Student Achievement

What is it?
This is a plan that describes how South Cobb will provide opportunities to improve family engagement to support student learning. South Cobb values the contributions and involvement of families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that South Cobb will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

Jointly Developed
South Cobb invites all parents to complete the Fall school improvement input survey/evaluation to provide suggestions on the school's Title I program. All parents are also invited to attend the Spring school improvement input meeting to revise this parental involvement policy, our school-parent compact, building staff capacity, professional learning topics, and the parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year. The plan is posted on our school Web site for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey that is posted online to ask parents for their suggestions on the plan and the use of the 1% reservation of funds for parental involvement. Parents can also give feedback during any parent meetings and activities during the school year.

Who is it for?
All students participating in the Title I, Part A program, and their parents and families, are encouraged and invited to fully participate in the opportunities described in this policy. South Cobb will provide full opportunity for the participation of Neglected and Delinquent proxy parents, parents and families with limited English, parents with disabilities, and parents of migratory children.

Where is it available?
Every family will receive the plan during Parent-Teacher Conference week. It is also available on the school website and a copy is in the front office biner. Parents can also retrieve a copy of the plan in the Parent Resource Center. We will gladly mail the plan to you upon request.

What is Title I?
South Cobb is identified as a school having a Schoolwide Title I program as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards which reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement policy.
2022-2023
Cobb County Schools
District Goals

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CTLS Parent data, survey results & web view module.
- By 2023, we will reorganize the PL framework to meet the needs of all schools to ensure alignment with Superintendents Priorities as measured by PL opportunities, surveys, and student achievement.
- By the end of 2025 school year every school will have identified practices and resources that support student success as measured by student academic, perception or discipline data.

Let’s Get Together!

South Cobb will host the following events to build the capacity for strong parental involvement to support a partnership among the school, parents, and community to improve student academic achievement. Family and Community Engagement (FACE) activities will be held at various times to provide opportunities for all families to participate. If you are unable to attend and would like meeting information, please contact South Cobb.

Visit the Parent Resource Center (PRC) to check out books, study materials, and activities to use at home with your child. Computers are available for parents to explore CTLS.

Parental Involvement
South Cobb believes that parental involvement means the participation of parents in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:
- That parents play an integral role in assisting their child’s learning.
- That parents are encouraged to be actively involved in their child’s education at school.
- That parents are full partners in their child’s education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

Parental Involvement Matters
South Cobb is committed to helping our parents and families attend the family activities listed in this policy. Please call or email us if you need assistance with childcare or transportation to participate in our programs.

One Team, One Goal, Student Success
South Cobb will take the following measures to promote and support parents as an important foundation of the school in order to strengthen student academic performance and reach our school goals. We will:

- Ensure that all information related to school and parent programs, meetings, and other activities is published in both English and Spanish, posted on the school website, and included in the weekly send out to parents.
- Provide two trainings each semester for staff during their planning periods on strategies to improve communication with parents and ideas to increase family engagement.
- Partner with our feeder schools by conducting joint meetings and events for parents and sending school information about parent engagement activities to help prepare parents and their child for school transitions.
- Share information in English and Spanish on the school website and in the school newsletter for parents to understand the school’s academic standards and assessments as well as the ways parents can monitor their child’s progress and work with educators.
- Communicate with all families and the community on a regular basis regarding schoolwide events and activities, through CTLS Parent, school website, social media, campus marquee and flyers, etc.
- Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parental involvement.
- Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child’s achievement.
- Use our Parent Facilitators and Education Partners to improve awareness of the activities and events listed in the school parental involvement policy.
- Collect feedback from parents at all events and offer a variety of surveys throughout the school year to respond to parents’ input regarding parental involvement activities and requested meetings.
Parental Involvement Standards

South Cobb and our parents have adopted the National PTA Standards for Family-School Partnerships as the school’s model in engaging parents, students, and the community. These standards are:

1. Welcoming All Families
2. Communicating Effectively
3. Supporting Student Success
4. Speaking Up for Every Child
5. Sharing Power
6. Collaborating with Community

Principal Advisory Council

The purpose of the Principal Advisory Council is to bring together parents, community members, and school staff to create a better understanding of and mutual respect for each other’s concerns and share ideas for school improvement.

The Principal Advisory Council meets three times per school year. Along with the principal, council members include:

1. Two staff members (one being the current Teacher of the Year).
2. Two parents (one being the current PTSA president).
3. Two members of the community (one being a Partner in Education representative).
4. High Schools only should include the president of the student government association or the senior class president.

If you would like to share your ideas and perspective with the Principal Advisory Council please contact T.J Perry, school principal, tccmmy.perry@cooak12.org.
