

GBA Compensation Guides and Contracts

7/19/12

The Superintendent or his/her designee shall establish a process for evaluating, verifying, documenting and awarding experience for placement of certified personnel on the state salary schedule in accordance with applicable State Board of Education Rules and certification rules established by the Professional Standards Commission.

Certification requirements, if any, shall be specified in job descriptions for certified professional classifications and/or in any announcements that may be posted for available positions or vacancies.

All reporting of personnel information shall be consistent with reporting requirements established by the Georgia Department of Education.

Adopted: 7/19/12
