

## Les devoirs d'été – Français 4/5

Your assignment for this summer is to complete **BOTH** of these activities:

- Create an account on the website/app Duolingo (if you haven't already) Earn a minimum of 200 points per week. Bonus points if you can keep a streak going all summer. Use this code to join my class: gcguxk
- Visit the [TV5](https://apprendre.tv5monde.com/fr) (<https://apprendre.tv5monde.com/fr>) website. Choose **at least 5** videos (I don't care what topic) and complete ALL associated activities. Screenshot your results and paste them into a Word document.
- BONUS: Watch a French movie on Netflix and write a SHORT review! (Did you like it? Why or why not?)
