3.2 Evaluation Procedures – Review of Proposals - A committee comprised of representatives from **Special Education, Teaching and Learning, and Procurement Services** will evaluate the proposal responses on the basis of qualifications, relevant experience, responsiveness of proposers, as well as cost. Cost will not be the sole determining factor in the award.

Each proposal will be reviewed for completeness to ensure that all mandatory requirements are addressed satisfactorily. The committee may request additional clarification/information from the responding vendor(s).

The committee will evaluate the quality and completeness of each response as it addresses each requirement of the RFP. All non-cost related areas of the response are evaluated during this phase. The committee may in its sole discretion and in the course of the evaluation request presentation(s)/demonstration(s) with one or more selected vendors. Procurement Services may permit revisions, after submission and prior to award, for the purpose of obtaining best and final offers. In all events, CCSD reserves the right to re-solicit the item(s)/services(s) involved.
- 3.5 Evaluation Criteria** – The selection of a vendor to provide instructional materials will be based on the review of several key elements in the proposals submitted. They include, but are not limited to the following criteria:
