RATIONALE/OBJECTIVE:

In compliance with the requirement set forth in O.C.G.A. § 20-2-690.1, the parents/guardians, or other persons having charge of any child(ren) between their sixth and sixteenth birthdays are required by law to enroll and send such child(ren) to a public or private school or utilize a home study program. The State Board of Education’s Student Attendance Rule defines “Truant” as any child subject to compulsory attendance who, during the school calendar year, has more than five days of unexcused absences. The District will comply with all applicable State authority, including law and State Board Rules, regarding student attendance.

RULE:

The Cobb County School District (District) requires that principals, teachers, and other designated personnel make and keep proper attendance records and administer disciplinary measures necessary to maintain regular student attendance.

- The District requires that principals, teachers and other designated personnel make and keep proper attendance records. It is important that local schools keep accurate data to reflect each student’s excused and unexcused absences. A copy of this documentation should remain on file in the school throughout the school year.
- Attendance should be taken in every class period for middle and high schools. Elementary schools shall take attendance daily.
- Local schools will provide to the parent/guardian or other person having control or charge of the student enrolled in the school, possible consequences and penalties for failing to comply with compulsory attendance.
- By September 1 of each school year or within 30 school days of a student’s enrollment in the school system, the parent, guardian, or other person having control or charge of such student shall sign a statement indicating receipt of such written statement of possible consequences and penalties for failing to comply with compulsory attendance. In addition, students age ten or older by September 1 shall sign a statement indicating receipt of written statement of possible consequences for non-compliance to the local system’s policy. The school will make two reasonable attempts to secure such signature or signatures and will be considered to be in compliance if it sends a copy of the statement, via certified mail, return receipt requested, or first-class mail, to such parent, guardian, other person who has control or charge of a child, or children. The school will retain signed copies of statements through the end of the school year.

The following procedures shall be observed in regard to attendance of students:
