What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure that all our students reach grade-level standards.

Our compact will:
- Link our goals to the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe and participate in the classroom

Jointly Developed

The parents, students and staff of Hollydale Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs. Parents are welcome to contribute comments anytime!!!

Our Goals for Student Achievement

District Goals for 2021-2022:
- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CTLS Parent data, survey results & web view module.
- By 2023, we will reorganize the PL framework to meet the needs of all schools to ensure alignment with Superintendent Priorities as measured by PL opportunities, surveys, and student achievement.
- By the end of 2025 school year every school will have identified practices and resources that support student success as measured by student academic, perception or discipline data.

Goals for 2021-2022

Hollydale administrators, school staff, and parents have studied our student performance data to decide the most important areas of improvement for our school. Goals are as follows:

- **ELA**: Increase the number of students achieving Basic and Above by 10% for the 2021-2022 school year as measured by the Reading Inventory.
  
  Focus Area: Reading fluency and comprehension

- **Math**: Increase the number of students achieving Basic and Above by 10% for the 2021-2022 school year as measured by the Math Inventory.

Teachers, Parents, Students Together for Success

In The K, 1st, 2nd Grade Classroom:

The K, 1st, and 2nd teachers works with students and their families to develop students’ success in reading and math. The focus of our key connections with families is:

- Offer Curriculum events focused on grade level standards and academic areas that need to be strengthened.

- Provide families with a daily communication to relay student progress and provide resources for practicing reading, writing, and math regularly at home.

- Provide parents with Sight Words to work with the students.

- Provide online resources and websites to assist students in practicing reading and math at home.

At Home:

Hollydale Elementary School parents joined staff to develop ideas about how families can support students’ in reading and Math.

Families may have other ideas to add to the list.

- Plan to attend the curriculum events to learn new strategies to use at home and help my child in Reading and Math.
- Check the daily communication, and use resources to help my child practice reading, writing and math at home.
- Practice Sight Words with the student regularly.
- Cobb Digital Library Resource

Hollydale Elementary Students:

Hollydale Elementary school students joined staff and parents to develop ideas about how they can succeed in school and be “Engaged, Equipped and Empowered” in reading and math.

- Practice using reading and math strategies shared during the curriculum events.

- Share communication from the teacher and complete my homework, read 20 minute every day and practice math at home.

- Practice Sight Words with a family member.

- Use online resources to practice math and reading at home.
