### TEACHER/STAFF APPRECIATION WEEK

Our annual Teacher/Staff Appreciation Week is May 2-6. On Friday, May 6 we will announce our 2022-2023 Teacher of the Year, recognize our 2022-2023 Classified Employee of the Year - Mrs. Kelly McNearney, and give a shout out to Nurse Shannon Keely for National Nurse's Day as she is always awesome. We are extremely thankful for our teachers and staff for their continued professionalism, dedication, and passion for teaching our Hoyas. We have several things planned this week for teachers and staff, thanks to our PTSA and Student Council, but please consider emailing some of your favorite teachers and staff members to show them some love. You can find their emails by clicking [here](#). Thank you for helping us make our amazing teachers and staff feel appreciated. They are truly ROCK SOLID!

- School is back in session for all students on Monday, August 1, 2022.

## FALL SCHEDULES

**Fall Semester Schedules:** Fall semester schedules have been distributed via the parent email address in ParentVUE. Please share this information with your student. Drop/add for students who are missing a class needed to graduate, have already received credit for or are currently enrolled in a class, are missing a class, have been scheduled in an incorrect academic course, or have not taken the pre-requisite needed for a course will run from May 2nd through May 12th. Students who would like to double up in math or Chemistry/Physics may also request to drop/add at this time. Only **one request** is allowed per student, so students will need to include all drop/add requests on their **one submission**. If your senior student is scheduled for **Minimum Day**, it will be **listed on their schedule**. If their schedule shows **three classes or less**, they are missing a class and should submit a **drop/add request**. The drop/add link can be found below. If you have any questions or issues, please note them on the drop/add form.

[https://HarrisonHS.formstack.com/forms/fall\\_2022\\_drop\\_add\\_form](https://HarrisonHS.formstack.com/forms/fall_2022_drop_add_form)

Students who are wishing to take a course online through CVA/GaVS or Dual Enrollment should contact their counselor. Once their counselor has approved and the student has registered for the class, the counselor will work with scheduling to correct the student's schedule.

## HOYA NEWS

### STEM

The Harrison STEM program has been awarded National STEM Certification through Cognia. Harrison STEM has now joined an elite group of certified STEM programs in Cobb that have earned this prestigious recognition for their implementation of STEM learning strategies. These strategies serve to prepare students for STEM careers through hands-on learning experiences, which allows increased student achievement.

Congratulations to all the hard working teachers and students who make our STEM program simply amazing!

Harrison held it's annual White Coat Ceremony/Senior STEMposium on April 28th to a packed house. Our STEM sophomores participated in the White Coat Ceremony, signifying their commitment to the next 2 years of their STEM journey, while our seniors were honored as they prepare to complete their 4 year journey in STEM. We are so proud of these students, as their hard work and dedication exemplifies what it means to be #rocksolid.
