**Modules Navigation**

**Purpose:**
Moving through modules has been changed to allow easier scrolling through pages and activities.

**Navigation**
Enter a module by selecting the class, then *My Modules* on the left navigator.

1. When in a module, the arrows to move between pages will be on the left of the screen.
2. You can show or hide the sidebar with all units in it by clicking the grey arrow next to the class name.
3. If you are in a booklet, you can choose which page to see by clicking the page number.
