

Parental Engagement

Parents support students in reaching goals by supporting daily attendance, volunteering, and participating in the decision-making process as active members in the parent advisory committee.

Parents are recommended to enroll their child in the Dual Language Immersion Program, beginning with Kindergarten and continuing throughout their attendance at Nickajack Elementary.

About Us

Nickajack Elementary is one of the many schools in Cobb County to offer a Dual Language Program. This program offers a rich bilingual experience for young learners, as it shapes their minds to become global citizens at the crucial age of development.

Students enjoy the advantage of having two caring, qualified teachers. The English-speaking teacher uses half of the instructional day to teach English Language Arts and content enrichment. The Spanish-speaking teacher uses the other half of the day to teach Spanish literacy, Math, and portions of Social Studies and Science.
