HELP KEEP HARRISON SAFE BY:

BY SAYING NO TO VAPING -

Being in possession of a VAPE while on the school campus is a CRIMINAL OFFENSE. More importantly, vaping is a dangerous habit. It can cause cancer, heart problems and weaken your immune system. When you decide to vape, you are not only putting yourself at risk, but it is also unsafe for your fellow classmates. Just like cigarettes, the smoke that you blow into the air can be ingested by anyone who is around. So, help keep Harrison safe

BY SAYING NO TO VAPING!
