ED-SPLOST VI

As you know, the ED-SPLOST VI voting referendum is TODAY - Tuesday, November 2, 2021. Please visit the Cobb County School District website by clicking [here](#). This link includes a detailed notebook of all ED-SPLOST VI projects and a one-page overview of ED-SPLOST VI. This link also includes a short video which we encourage you to watch.

LAPTOPS

We have over 1800 students who have already opted-in for their school-issued laptops – great job. We need every student to opt-in, and pick up their device prior to November 5th, as End-of-Course testing begins right after Thanksgiving break. If you have not opted-in, please do so today – it only takes a minute. Directions to opt-in can be found [here](#).

Why Should I opt-in for a laptop?:

School issued devices will be connected to the Cobb server. This will allow for better connectivity.

School issued devices will come with the required Office 365 software that Cobb students utilize.

School issued devices will have access to our testing platforms. For example, students can take End of Course Tests, MI/RI tests all from the classroom, which provides us more flexibility. We have a limited number of computer labs.

When all students have the same device, teachers can incorporate technology more often since they are assured all students have access.

Distribution Plan:

The distribution of laptops will continue during lunches – please have your students report to the learning commons during their lunch period to pick up their device.

Questions?:

Please direct any questions to Dr. Christi Osborne.

SPRING SCHEDULES

Spring Schedules: We have received numerous drop/add requests, so please be patient with the process. You will receive an email once we receive your request and once it is reviewed.

The drop/add **deadline** for spring semester is **this Friday, November 5th**. Students may request to drop/add if they 1.) are scheduled for a course in which they **have not taken the prerequisite**, 2.) are scheduled for a course in which they have **already received credit**, 3.) are scheduled for **3 or fewer classes** (students should not assume they have minimum day - if they have minimum day, it will be listed), 4.) missing a **course required for graduation**, 5.) are scheduled for an **incorrect academic course**, 6.) wish to **double up in an Honors/AP math or science class**, or 7.) wish to take a class **online or via dual enrollment** (student will use the form to express their desire to take an online or dual enrollment course, but will not be scheduled for the course until they have discussed and received approval from their counselor, and completed all paperwork. The following links may be helpful as you review your schedule: [Graduation Requirements](#); [Harrison Course Catalog](#)

Students will use the following link to submit a drop/add submission. **Each student will only be allowed to submit one form but may include more than one drop/add request on their one submission.** [Spring Drop/Add Form](#)

ASVAB

Those students who took the ASVAB on Oct 13th will receive their result in advisement on Friday, Nov 5th.

STUDENT CHECK-OUTS

As we continue to keep student safety a priority, please remember that students are required to check out of school through the attendance office. Students may not leave campus without following important check-out procedures. Any early checkouts should be requested through a note brought in by the student on the day of their early dismissal. Thank you for helping us keep our students safe.

MESSAGE FROM LOCAL NEIGHBORHOODS

We have been asked to send a friendly reminder that students should not park in local neighborhoods or businesses as they may receive a ticket or have their car towed.

REMINDERS

Please pay your class fees. These dues help pay for student events and activities throughout the school year. Visit [My Payments Plus](#) to pay your dues today.

Parents, please make sure that your child comes to school prepared each day (homework, lunch, clothing, school supplies). Our offices do not accept drop-offs of items for students. Please refer to the student handbook on our website for further details. Please remember that all lunches are offered at no cost this year in the café.

HOYA BLOCK

Hoya Block has started! Please have your student check their StudentVue account for any changes. If your student has an issue with their Hoya Block, please have them stop by any of our offices or the learning commons to submit a Hoya Block change form.
