WEEKLY NEWSLETTER 11/03/20

MESSAGE FROM PRINCIPAL CAMPBELL

Dear Harrison Families,

This Thursday, November 5 we will welcome approximately 1401 students back to Harrison for the first time since Friday, March 13. I know I speak for everyone here at Harrison when I say that we have been waiting for this day for a very long time! Our teachers have done an exceptional job juggling the challenges of teaching our students remotely, and they have been working very hard to prepare for the return of our face to face learners this Thursday. It has truly been a team effort at Harrison from all faculty and staff as we continue to support our students. I know we can all agree that the return for face to face learning will not look like school before the pandemic. As previously communicated, our students know that masks are required, our students know the importance of social distancing whenever possible, and our students know the importance of following good hygiene procedures. I am always proud of our Hoyas and am confident that they will rise to the occasion and follow these new safety protocols. Our faculty and staff have been practicing these safety protocols for several weeks. Whether your student is remaining virtual or returning to Harrison, I want to thank our parents for your support during this very challenging time and thank our students for continuing to persevere and keep the focus on learning. Our reopening information is detailed in this eblast (as well as last week's communication). As a reminder, you can find all of our reopening information and previous eblasts at the following link on our school website at [Harrison Remote Learning & Reopening Plan](#). Please also continue to visit our school district's Learning Everywhere website at <https://www.cobblearningeverywhere.com/>. This website provides additional details for the safety protocols that Harrison will follow.

Be sure to watch the short video below featuring many of our Hoyas and our Harrison campus as we prepare for our face to face learners on Thursday, November 5!

Thank you again for your support.

Sincerely,

Ashlynn Campbell

Specific directions, including steps to login, will be provided to the public before November 15.

CAFE INFORMATION

We are very excited about the new renovations made to our Main Café. These updates include a more modern look and feel to the space, with serving line enhancements that will allow for an improved flow to the daily traffic during our lunch periods. As you may have already seen on our updated bell schedule, we have included an additional lunch period each day to help with social distancing in the Café. Please read through the following important information and student expectations that will help to ensure the health and safety of everybody in the Café during lunches:

- Students will enter the Café at the doors located on the 400 Hall (across from the Hole-In-The-Wall and Learning Commons). Students will exit the Café at the doors leading out to Main Street (next to the Faculty Dining Room).
-

- Touchless hand sanitizer stations will be placed at all doors to the Café. Students are strongly encouraged to utilize these stations each day when entering and exiting.
- Seating will be spaced out as much as possible. Students will need to sit in this spaced out format and will not be allowed to move chairs around to different tables.
- We will not assign students to specific seats, but we do ask that students please try and sit in the same general location each day.
- Students will be asked to keep their masks on in the Café when not eating.
- As always, seniors are encouraged to utilize the senior courtyard located outside the 400 Hall exterior doors for outside seating when weather permits.
- We will also review this important information listed above, as well as general safety procedures with students in the Café upon return.

Lastly, please see some additional important information listed below from Food & Nutrition Services:

- Masks will always be worn by FNS workers.
- Serving lines will be set up to allow for social distancing as much as possible, and all transactions will be touchless to ensure a safe and sanitary process.
- Enhanced cleaning, sanitizing, and disinfecting procedures will be implemented in addition to regular stringent cleaning measures for food safety.
- Pre-order meals for remote learners will still be available.

FACILITY INFORMATION

As we prepare for students to be back on campus, here are some reminders of the things we have in place to help maintain a safe and healthy environment:

- Hand-Sanitizer Stations – In addition to the wall-mounted pumps located throughout the facilities, we have placed touchless hand sanitizer stations at the building entry points and in other higher-traffic areas throughout campus.
 - Plexiglass Screens – We have installed plexiglass screens in the reception areas of our higher-traffic offices, as well as other commonly-used spaces around campus.
 - Disinfectant Foggers – This may be the best defense effort put into place. We are very fortunate to have been able to purchase multiple disinfectant foggers in addition to the single one provided by the district, as well as a specialized mixing unit which will allow us to produce sanitizing solutions for the foggers
-

on-demand. All of our facilities are being cleaned on a daily basis with disinfectant foggers to help maximize our sanitizing efforts.

STUDENT PARKING UPDATE

UPDATE

The District has recently approved a prorated fee structure for this semester. The fee was approved at \$20.00 for the remainder of this semester. For those who have already paid using your My Payments Plus account, the easiest solution regarding refunds will be to choose one of the following options:

1. Apply the remaining \$20 balance towards parking for next semester
2. Transfer the remaining \$20 balance to another My Payments Plus use (i.e., lunch account)

We understand, however, that individual families have different financial situations, so we are glad to work with families who may need the \$20 refund this semester. You will have the opportunity to indicate which method you would like for your refund when you pick up your decal tomorrow.

REMINDER

We will be distributing parking decals tomorrow (Wed 11/4) to all students who were awarded parking for the remainder of this fall semester. Please see below for your scheduled parking decal pickup time.

- 8:00 am – 9:30 am (Last names beginning A to D)
 - 9:45 am – 11:15 am (Last names beginning E to K)
-

- 12:15 pm – 1:45 pm (Last names beginning L to R)
- 2:00 pm – 3:30 pm (Last names beginning S to Z)

Please make sure you come during your scheduled pickup time slot. Also, please wear a mask and follow all safety guidelines that will be posted for social distancing.

Decals will be distributed from the Athletic Office (NEW LOCATION → RM 801). Please park in the bus port and enter the building at the breezeway 800 hall entrance. The office will be the first door to the right once you enter the building. We will also place signage out to help guide you to the right place.

If you did not receive previous communication regarding parking decals or if you have other parking questions, please reach out to Lisa Cronon (Email: lisa.cronon@cobbk12.org | Phone: 678-594-8104 ext. 019) for assistance. Thank you!
