

Simpson Middle School Newsletter

Dear Simpson Eagle Families,

Thank you for your continued support through conference week. If you have scheduled a conference with one of your child's teachers, please have your student participate in the conference with you. It is important that they know we are all working together to support their academic progress. If you are not scheduling any conferences, please continue to have conversations with your children about their progress and daily experiences. When they know you are going to ask questions, not only does it show them that you care, but it makes them more prepared to provide a meaningful answer 😊

Sincerely,

Dr. LaEla Mitchell
