What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Norton Park worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Sianda I. Ruiz at (678) 842-5833 x031 or Sianda.Ruiz@cobbk12.org to provide feedback.

Norton Park Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

District Goals for Student Achievement

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CLTS Parent data, survey results & web view module.
- By 2023, we will reorganize the professional learning framework to meet the needs of all students to ensure alignment with the superintendent priorities as measured by professional learning opportunities, surveys, and student achievement.
- By the end of the 2025 school year, every school will have identified practices and resources that support student success as measured by student achievement, perception and discipline data.

Norton Park Goal(s) for Student Achievement

- The percentage of students scoring proficient or advanced on the MI assessments will increase 20 percentage points from the August 2022 administration to the May 2023 administration.
- The percentage of students scoring proficient or advanced on the RI assessments will increase 20 percentage points from the August 2022 administration to the May 2023 administration.
- The percentage of students scoring meets or exceeds on Units of Study Benchmark Assessments will increase 20 percentage points from the pre to the post assessments during the 2022- 2023 school year.

Teachers, Parents, and Students-Together for Success

Norton Park Teachers

In the 1st Grade Classroom

Norton Park 1st grade teachers will work with students and their families to support students' academic achievement. Some of our key connections with families will be:

- Provide small group instruction and opportunities to practice addition and subtraction strategies within 20.
- Provide opportunities for students to practice describing characters, setting, and major events in a story using key details.
- Provide opportunities to write narratives or informational pieces that stay on topic and have a clear beginning middle and end.

Norton Park Families

At Home

Norton Park Parents will work together to develop ideas about how families can support their students reading, math, and writing instruction.

- Practice using subtracting strategies within 20 at home with your child.
- Read to and with your child daily. Ask your child to describe major events, characters, and setting using key details.
- Practice writing narratives and informational pieces at home with your child that include a clear beginning, middle, and end.

Norton Park Students

Students

Norton Park Parents and students will work together to develop ideas about how they can succeed in school and achieve in reading, writing, and math.

- Practice using subtraction strategies within 20.
- Read each night for 20 minutes. Recall the characters, setting, and major events from the text.
- Practice writing daily to be able to write narratives and informational pieces with a clear beginning, middle, and end.

One Team, One Goal, Student Success!
