## What is a School-Parent Compact?

*A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.*

## Jointly Developed

The parents, students, and staff of Norton Park worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact **Liliana Cermeno** (678) 842-5833 x031 or [liliana.cermeno@cobbk12.org](mailto:liliana.cermeno@cobbk12.org) to provide feedback

## Norton Park Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face-to-face.

# Teachers, Parents, and Students-Together for Success

## District Goals for Student Achievement

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CLTS Parent data, survey results & web view module.
- By 2024, we will implement the professional learning framework to meet the needs of schools to ensure alignment with the superintendent priorities as measured by professional learning opportunities, surveys, and student achievement.
- By the end of the 2025 school year, every school will have identified practices and resources that support student success as measured by student academic, perception and discipline data.

### **Norton Park Goal(s) for Student Achievement**

- 60% of students in each grade, 1-5, will score proficient or above on the summative math assessment, based on the 10-day math assessment cycle by May 2024..
- 85% of students in each grade level K-2 will achieve an Early Literacy Framework Assessment score of at least 90% by May 2024
- The percentage of students in each grade level, third through fifth, reading on or above grade level will increase by 10% according to the Next Steps Guided Reading Assessment from August 2023 to May 2024.
- Reduce the number of office referrals from 274 (May 2023 to 233 (15%)by the end of May 2024.

## Norton Park Teachers

### In the 1st Grade Classroom

Norton Park 1st grade teachers will work with students and their families to support students' academic achievement. Some of our key connections with families will be:

- Provide opportunities to use math strategies for subtracting within 20.
- Provide opportunities for students to practice describing characters, settings, and major events in a story using key details.
- Teach SOAR expectations explicitly and give opportunities to practice them at school. (Safe, On-Task, Accountable, Respectful)

## Norton Park Families

### At Home

Norton Park Parents will work together to develop ideas about how families can support their students reading, math, and writing instruction.

- Practice using subtracting strategies within 20 at home with your child.
- Read to and with your child daily. Ask your child to describe major events, characters, and setting using key details.
- Discuss with your child how they can be safe, on-task, accountable, and respectful with real life examples.

## Norton Park Students

### Students

Norton Park Parents and students will work together to develop ideas about how they can succeed in school and achieve in reading, writing, and math.

- Practice using subtraction strategies within 20.
- Read each night for 20 minutes. Recall the characters, setting, and major events from the text.
- Use SOAR expectations to make good choices each day at school.

*One Team, One Goal, Student Success!*
