## What is a School-Parent Compact?

*A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.*

## Jointly Developed

The parents, students, and staff of Norton Park worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Sianda I. Ruiz at (678) 842-5833 x031 or [Sianda.Ruiz@cobbk12.org](mailto:Sianda.Ruiz@cobbk12.org) to provide feedback.

# Teachers, Parents, and Students-Together for Success

## Norton Park Teachers

### In the 3<sup>rd</sup> grade Classroom

Norton Park teachers will work with students and their families to support students' academic achievement. Some of our key connections with families will be:

- Provide students multiple opportunities to practice multiplication and division facts (0-9) to build fluency.
- Provide students opportunities to ask and answer questions about a text during guided and independent reading.
- Instruct students in narrative, informative, and opinion writing including planning, revising, and editing.

## Norton Park Families

### At Home

Norton Park Parents will work together to develop ideas about how families can support their students reading, math, and writing instruction.

- Practice multiplication and division facts (0-9) at home with your child.
- Ask your child questions about their independent reading book.
- Check your child's writing to support them in using the writing process including planning, revising, and editing.

## Norton Park Students

### Students

Norton Park Parents and students will work together to develop ideas about how they can succeed in school and achieve in reading, writing, and math.

- Practice multiplication and division facts (0-9) daily.
- Read at least 20 minutes daily and discuss your book with your parents.
- Use the writing process in all written assignments including planning, revising, and editing.

*One Team, One Goal, Student Success!*
