What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Norton Park worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Sianda I. Ruiz at (678) 842-5833 x031 or Sianda.Ruiz@cobbk12.org to provide feedback.

Norton Park Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

Volunteer Opportunities:

- Classroom Readers (In person or virtual)
- Media Center
- Title I Planning Committee

Partnership Meetings:

Annual Title I Parent Informational Meeting
Open House
Meet and greet
Title I Parent Input Meetings
Parent Teacher Conference Week

Family Engagement Opportunities:

Curriculum Content Nights
Strategy Training to Assist Students at Home
Parent Resource Room

Norton Park Activities to Build Communication

District Goals for Student Achievement

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CLTS Parent data, survey results & web view module.
- By 2023, we will reorganize the professional learning framework to meet the needs of all students to ensure alignment with the superintendent priorities as measured by professional learning opportunities, surveys, and student achievement.
- By the end of the 2025 school year, every school will have identified practices and resources that support student success as measured by student achievement, perception and discipline data.

Norton Park Goal(s) for Student Achievement

- The percentage of students scoring proficient or advanced on the MI assessments will increase 20 percentage points from the August 2022 administration to the May 2023 administration.
- The percentage of students scoring proficient or advanced on the RI assessments will increase 20 percentage points from the August 2022 administration to the May 2023 administration.
- The percentage of students scoring meets or exceeds on Units of Study Benchmark Assessments will increase 20 percentage points from the pre to the post assessments during the 2022- 2023 school year.

Teachers, Parents, and Students-Together for Success

Norton Park Teachers

In the 5th grade Classroom

Norton Park teachers will work with students and their families to support students' academic achievement. The focus of our key connections with families will be:

- Provide students with math strategies to solve real-world math problems involving addition, subtraction, multiplication, and division.
- Provide opportunities for students to compare and contrast, make inferences, and explain interactions from a text during guided and independent reading.
- Provide students with opportunities to write narratives, informational, and opinion pieces that include clear organization, and details across multiple paragraphs.

Norton Park Families

At Home

Norton Park Parents will work together to develop ideas about how families can support their students reading, math, and writing instruction.

- Practice solving real-world math problems involving addition, subtraction, multiplication, and division.
- Read to or with your child daily to help practice comparing/contrasting characters and making inferences.
- Check your student's written assignments for clear organization and details; across multiple paragraphs.

Norton Park Students

Students

Norton Park Parents and students will work together to develop ideas about how they can succeed in school and achieve in reading, writing, and math.

- Practice math facts daily to improve fluency.
- Read each night for at least 20 minutes. Discuss the characters in the story and provide evidence when making an inference.
- Use the writing process in all written assignments. Check your work for clear organization and details.

One Team, One Goal, Student Success!
