A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Acworth Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students’ needs. Parents are welcome to contribute comments at any time. Please contact LaToya Houston at (770) 975-6600 or latoya.houston@cobbk12.org to provide feedback.

Acworth Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

Volunteer Opportunities:
- Classroom Readers (In person or virtual)
- Bookfair

Partnership Meetings:
- Annual Title I Parent Informational Meeting
- Open House
- Meet and greet
- Title I Parent Input Meetings
- Fall/Spring Input Meeting
- Parent Teacher Conference Week

Family Engagement Opportunities:
- Literacy Nights
- Science Fair and STEM week
- Parent Resource Room

Acworth Elementary Activities to Build Communication

Some communications may be provided virtually

- CTLS Parent
- ParentVUE
- Weekly Folders
- Student Agendas
- School Website
- Monthly Newsletters
- Email
- Callouts

- Parent/Teacher Conferences
- Facebook &Twitter
- Flyers
- District Website
- School Marquee
- Phone

District Goals for Student Achievement

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CLTS Parent data, survey results & web view module.
- By 2023, we will reorganize the professional learning framework to meet the needs of all students to ensure alignment with the superintendent priorities as measured by professional learning opportunities, surveys, and student achievement.
- By the end of the 2025 school year, every school will have identified practices and resources that support student success as measured by student achievement, perception and discipline data.

Acworth Elementary's Goal(s) for Student Achievement

- Increase the number of students in grades 3-5 that meet and exceed quarterly genre benchmark expectations by 20% as measured by the quarterly pre and post Write Schore assessments during the 22-23 school year.
- Fourth and Fifth grades will focus on increasing the average MI scores by 15% as measured by the fall to spring administration for the 2022-2023 school year.
- Integrate science and math across subject areas during the 2022-2023 school year to increase 4-5 MI proficient scores by 10% from September to May and increase students scoring proficient on FY23 5th grade science milestones by 10% from the previous year.

Teachers, Parents, and Students-Together for Success

Acworth Elementary Teachers

Provide students with Eureka Math student books and manipulatives that can be used for independent practice work time during math workshop. Students will continue to use the homework assignments to work towards proficiency with math strategies and concepts.

Share information with parents about Eureka Math Homework Helpers to provide additional support with at-home practice and encourage them to help students make real-world application of math concepts.

Apply math strategies and concepts during science and STEM-related activities at school and encourage students to apply strategies and concepts outside of school to reinforce real-world connections.

Acworth Elementary Families

Support students with at-home practice using Eureka Math curriculum and resources. Encourage students to make real-world connections and apply math concepts outside of school.

Utilize Eureka Math Homework Helpers to support students use of instructional strategies during at-home practice.

Support students in finding examples of math in the world around them.

Acworth Elementary Students

Use at-home Eureka Math curriculum and resources to practice working towards proficiency with math strategies and concepts.

Utilize Eureka Math Homework Helpers to work towards proficiency with math strategies and concepts.

Share with parents the math strategies and concepts you are learning during math workshop. Share examples of real-world application and connections.
