Coming Together

Hi Hawk Families,

I hope you had a great weekend! Reflecting on the beginning of the school year to now, we can conclude that we are finally getting acclimated. Students are finally realizing that there are real expectations and school is in! Not just the students, but the teachers, administrators and all staff members and parents are getting adjusted as well. We are all in this together and we plan to keep going upward. I'm sure you can imagine having approximately 2400 students trying to embrace change after last year. There are so many different views and realities our students are experiencing. We are here to support them and will continue to guide our scholars in the direction of Deliberate Success.

Virtual Parent Meeting: If you can, meet me virtually this Thursday, October 28th at 6:00p.m. I will be available to answer any questions you might have as well at the end of the meeting. It should not be longer than 30 minutes. Hope to see you there. Reference last Hawk Highlights for resources on the SPLOST topic.

A MESSAGE FOR SENIOR PARENTS:

Please visit www.herffatlanta.com to order your student's cap and gown now! Orders are due by December 1st. The pandemic has disrupted nearly every aspect of the global supply chain, so don't delay ordering! We don't want you to have any issues, so order now.

A Few Operational Reminders:

- Students will be able to select new **Hawk Hour** sessions between Wednesday, October 27th to Friday, October 29th. Please remind your child that even if they want the same session, they had last cycle, they must still select it this week. It will not automatically roll over.
- Students have been told that Uber Eats or Door dash deliveries are not allowed during our school day. Additionally, we need parents to refrain from bringing deliveries as well (food or items) to school. We will not interrupt instruction for deliveries. We appreciate you working with us regarding this. If there is an emergency situation, please call us and we can work through this with you. For safety reasons we do not want this type of access and traffic flow going on.
- All visitors must always stop at the front office for check in. We will then contact whomever you are meeting with and they will come to escort you. Again, it's all about safety.
- **COMPUTER DISTRIBUTION:** We are hoping to complete this process very soon – somewhere around November 1st. If you have not yet **OPTED IN** and you wish to do so, please do. We are trying to supply the resources needed that could help maximize learning for our students.
- Monday, November 1st – We will collect \$2.00 from all students that wish to donate to the Center for Children and Young Adults (CCYA). The students may wear pajama pants in exchange for the \$2.00. We are teaming up for a good cause! Encourage students to participate to help those less fortunate.
- November 2nd is a student holiday.
