Special Education Parent Mentors provide guidance and resources to parents as they navigate the Special Education process. Stacy and Karie host parent workshops, an annual resource fair, and special events while also providing a listening ear and a variety of assistance to families of children with special needs. They are part of the Georgia Parent Mentor Partnership, an initiative of the Georgia Department of Education.

For up-to-date information, please keep an eye out for CTLS email blasts from the Cobb County School District, check out our page on the CCSD website, and follow us on social media.
