

# SANDERS ELEMENTARY SCHOOL

## Sanders Uniform Guidelines 2023-2024 School Year

**Mission: One Team, One Goal, Sanders Success**

**What is our uniform or standard school attire?** Students are dressed in a similar fashion, not necessarily the same exact clothes.

**What does research suggest?** Research suggests that there is a direct correlation between student attire, confidence, achievement, and behavior.

**What will it do for our students?** The uniform requirement will enable students to model appropriate dress that reflects a positive appearance, which will assist in the development of positive character and sense of pride.

**The students at Sanders Elementary may wear the items listed below:**

Thank you for working with us at Sanders so we can ensure our students are successful and will show STAR behavior each day.
