

GARRISON MILL ELEMENTARY

School Handbook

2022-23 School Year

Vision

Garrison Mill is a community dedicated to creating a positive environment where all students are inspired to do their personal best.

Mission

We engage. We inspire. We educate.

Garrison Mill Elementary is a Kindergarten through Fifth Grade elementary school that strives to offer each student the optimum opportunity to develop academically, socially, emotionally, and physically. Each student and staff member will work together in an educational environment characterized by competence, confidence, understanding, respect, and mutual trust.

Enhancing this instructional program will be the Support Personnel in the areas of Media, Speech, Target, Physical Education, Music, Art, Special Education, Pre-K Special Education, and Guidance.

Parents will be invited to review progress during the October conference or upon request. If necessary, progress reports will be sent at the halfway point. Kindergarten through fifth grade report cards will be sent home every nine weeks. The total instructional program will be presented during the August Open House. Please check the calendar for these dates.

POLICIES AND PROCEDURES

Parents: Please review Cobb County Board of Education Policies and Cobb County School District Administrative Rules. Rules governing student behavior and/or school procedures can be accessed online at the Cobb County Web Site, www.cobbk12.org under Board of Education, then “Board Policy Manual.” The following policies and procedures represent general reference areas but are not inclusive of all rules or local school policy. Please review these carefully:

ABSENCES: Instructional time in an elementary school is structured sequentially. Family vacations should be planned with the school calendar in mind to prevent children from missing essential skills. When a student is absent, he/she must bring in a written, signed excuse upon returning to school. It is the principal's responsibility to monitor student attendance, and excessive absences will be addressed. (GA Code Section 20-2-690-1(b); [CCSD Policy JB-R](#))

ABSENCES FROM SCHOOL GROUNDS: Children may not leave the school grounds during regular school hours unless called for by the office. Children will be released only to enrolling adult approved adults unless the school has been notified in writing concerning other arrangements. (Please refer to the section "Excuses" for more information.)

ARRIVAL TIME: *Students should not arrive prior to 7:15 am without special permission, as there is no one to supervise them.* Students who do arrive prior to 7:15 am are not the responsibility of the Garrison Mill Elementary staff and are **not to report to classrooms until the 7:15 am bell rings**. School will begin following the 7:50 am announcements. Students arriving in the classroom after 7:50 am are considered "tardy."

AFTERSCHOOL PROGRAM (ASP): The Afterschool Program (ASP) will begin on the first day of school. The hours are 2:20 pm–6:00 pm Monday through Friday. The ASP will operate as an extension of the instructional day for Garrison Mill students and will function under the guidelines established by the Cobb County School District.

All children **must** be registered before attending ASP. There is a \$20 registration fee per child. ASP is a pay in advance program. The fees are \$50.00 a week or \$10.00 a day for each child (fees are subject to change). Payment is due the first day a child attends each week. Registration for ASP and payments are through ELEYO (details can be found at <https://www.cobbk12.org/garrisonmill/page/17251/after-school-program>). **Any account two (2) weeks past due will result in termination from ASP.**

Activities are planned by staff members, and a snack is provided daily. However, on occasion ASP may plan a special program for your child for which an additional fee may be requested.

Behavior expectations are the same as during the school day. For ASP, students receiving three (3) behavior referrals in our academic year may not be allowed to return.

We are happy to offer after school care to our families who need this service. We will continually work to modify and improve our program to meet the needs of our children at Garrison Mill.

ATTENDANCE: Regular school attendance is required by Georgia law (20-2-690-1) for all children between the ages of six and sixteen. Regular attendance means actual attendance of a pupil during the entire day of school. We solicit your cooperation in planning appointments that do not interrupt school hours. [Current School Year Calendars](#)

can be found on the Cobb County Webpage to assist in planning. A student who attends a half day or more of school is counted present (e.g. 7:50 am to 11:10 am is a half day). ***A student arriving in the classroom after 7:50 am is counted tardy.*** Excessive student absences may warrant a letter from administration or a social worker visit.

BOOKS: Textbooks for the children are provided through county and state funds without cost to the child's parents or guardians. In compliance with the textbook policy, all charges for lost or damaged textbooks must be paid in order to issue replacements or transfer records to other systems. All textbooks issued to children will be their responsibility should the books be lost, damaged, or stolen.

CLINIC (ACCIDENTS, ILLNESS and MEDICATIONS): Our clinic nurse is trained to treat minor emergencies and to dispense medications when needed. ***No medications will be dispensed in the classroom.*** A medication form must be completed by parents prior to dispensing of medicines (prescription or non-prescription). Over-the-counter drugs must be maintained in their original container. Prescription drugs must also be in their original container, bear the name of the patient, the name of the physician prescribing the medication, and the pharmacy filling the prescription.

Authorization forms may be obtained at the school or online (in the **Board Policy Manual**, Section "J" – Students. Find [Administrative Rule JGCD-R](#) (Student Welfare: Medication) and click on the needed form.

Clinic hours are from 7:40 am to 2:30 pm daily. It is of utmost importance that we maintain a clinic card on file for reference and that parents keep information current on this card for emergency treatment purposes.

If a child is suspected of having a communicable disease, parents will be called to pick up the child from the school and seek a physician's diagnosis prior to returning the student to a classroom. This local school procedure is for the safety and best interest of all our students.

PLEASE do not send children to school who feel ill or who have had a temperature over 100 within 24 hours. Please refer to Board Policy Manual, [Section JGC-R](#) for more information.

CUSTODY OF CHILDREN: School personnel are bound by law to release children to either of their natural parents unless we have on file a copy of a court order which grants custody to one parent or the other, or to a third party. Therefore, if you are divorced or separated, and the custody of your children has been awarded you by the court, a copy of the court order ***must*** be on file in our office. It is your responsibility as custodial parent or guardian to provide this information to the school by updating the student record via ParentVue. Custodial parents may be contacted should the school feel that court guidelines have been altered by the non-custodial parent. Joint custody situations and specifications should also be made known to the school.

DISCIPLINE: All discipline actions at Garrison Mill will be in keeping with the Cobb County Elementary Student Code of Conduct. [See Policy JCDA-R](#), in the **Board Policy Manual**.

DRESS: Every child at Garrison Mill is encouraged to observe a standard of grooming and dress consistent with the level of formality of the school situation. Shoes must always be worn. Clothing or ornamental displaying of illegal substances for minors, or inappropriate language or gestures are prohibited. *Hats or caps should not be worn by boys or girls during school hours unless specified by administrators for particular events.*

We ask you to help your child dress appropriately for school so s/he will be able to concentrate on learning:

1. While it may be hot outside, the air conditioning inside the building makes our rooms chilly at times. Dressing in layers helps students address the temperature changes.
2. Your child's extended fingertips at his/her side should touch the hem edge of his/her shorts, with room enough to comfortably bend over, sit, run, and climb playground equipment.
3. **No midriffs/chests/shoulders should show, eliminating spaghetti strapped, tank, or halter tops. Ask your child to reach above his/her head; if the midriff shows, change clothing.**
4. Shoes should be safe to walk/run in, whether it's P.E. day or not. Flip-flops and slides are too easy to trip over or fall out of. **Flat, rubber-soled shoes are required for all PE activities.**

EARLY DISMISSALS AND TRANSPORTATION CHANGES: For students' safety, please attempt to keep telephone transportation changes to a minimum. All transportation changes should be in writing.

We do not make transportation changes after 1:40PM, If you do change your child's usual means of going home, *the teacher must have a note from you stating this* (for example: bus rider to car rider, or ASP to car rider, etc.) . Because teachers are not constantly monitoring their email accounts, please do not email the teacher for a transportation change on the same day. If you must make a last minute change for your child, send in a hand-written note to the teacher or contact the front office for further guidance.

Please make every effort to schedule appointments for students after school hours, so as to not disrupt the instructional day. We do realize, however, some appointments are unavoidable. If you plan to pick up your child some time during the school day (for a doctor's appointment, etc.), please send the teacher a note so your child can be prepared to leave. Students are not dismissed between 1:45 PM and 2:20 PM (regular dismissal time) unless you have an emergency. Students are not allowed to go on a different bus than their own unless it is for child care purposes. A bus pass must be completed and brought into the front office for approval. The bus pass can be found on our school's website.

EMERGENCIES: Should there be an emergency and you need to pick up your child prior to regular dismissal, you *must* come by the school office. There is a sign-out form for you to complete. *Do not go directly to the class, as teachers will not release students in this manner.* Your child’s protection is our concern, and we solicit your cooperation in following this procedure. Please establish a family “Emergency Plan” so that students and teachers will know how your child will go home should the school close for an emergency (ex.: inclement weather). The teacher will request this information at the beginning of the year.

ENROLLING ADULT: It is the responsibility of the enrolling adult to make certain that their child’s records are correct, including which adults outside of the school staff have access to student records, can check out the child, and who can visit the child at school (such as lunch). The enrolling adult also should make certain that all contact information is correct. These records can be updated in ParentVue.

FOUNDATION ENRICHMENT AFTER SCHOOL TIME (F.E.A.S.T.)

PROGRAMS: In addition to the After-School Program, the Garrison Mill Educational Foundation sponsors several after school enrichment programs each week. The cost to attend varies by program. For more detailed information, visit the Garrison Mill Education Foundation web page by clicking [HERE](#).

EXCUSES: When children are absent we *must receive a written excuse* within 3 days of the student’s return to school as per Cobb County regulation. Absenteeism due to travel or vacation is not an excused absence. For more information on which absences are excused, see [Administrative Rule JB-R](#) in the **Board Policy Manual**.

FIELD TRIPS: A field trip is defined as “a planned educational experience directly related to and correlated with a particular unit of study or a specialized function of the school” ([Cobb County School District Administrative Rules IFCB-R](#)). Administrators will approve only those trips that can be shown to have a direct and meaningful relationship to the curriculum. All field trips are determined and scheduled by the teachers and administrators.

Field trip participation is not mandatory nor is it reflective on pupil grades. Donations may be requested to defray trip costs. No student is denied a field trip because of a parent’s inability or unwillingness to donate funds; however, if enough funds are not donated the trip may be cancelled and refunds will be provided. Field trips are considered to be a privilege and not a right. The administration reserves the right to deny field trip participation if, based on the student’s previous behavior, participation is not in the best interest of the student or his or her classmates. Field trip planning and coordination is a function of the Garrison Mill instructional staff. *Students will not be permitted to attend a field trip without parent/guardian permission.*

INSTRUCTIONAL TIME: The cooperative goal of home and school is to provide the best educational experience possible. Therefore, we solicit your cooperation in guarding valuable instructional time. Please do not “drop in” to the classrooms to visit, nor arrive

at the child's classroom for early dismissal. If a teacher conference is needed, please call, email, or come by the school office for an appointment. Teachers will respond to parent communication within a twenty-four hour time period during the school week.

INVITATIONS: Invitations for private parties or events (birthday parties, etc) are allowed to be sent home only if **all** students in the class are invited. Teachers cannot send home invitations for selected students from a child's classroom.

LOST AND FOUND: We strongly suggest that you tag or write your child's name in the clothing he or she wears to school. Garrison Mill will hold lost items for a reasonable length of time and then will donate leftover items to a local charity. Please feel free to look in our Lost and Found whenever the need arises. Donations to charity are made at least quarterly.

LUNCHES: A nutritious and attractive lunch is served daily at Garrison Mill. All students are required to eat in the dining room whether they receive a school lunch or bring it from home. Menus for the month will be posted to the [CCSD Food & Nutrition Website](#) to assist in your child's lunch planning. Parents are welcome to join us for lunch. Find current pricing of meals [HERE](#). Carbonated drinks are not allowed in our school dining room. **In support of our school lunch program, we politely ask that you do not bring in food from restaurants or fast food.**

The cafeteria manager's phone number is 770-642-5601. We are proud of our wonderful school lunch program and encourage students to participate!

Parents are allowed to place money onto a student's lunch account to purchase extras (chips, cookies, ice cream, etc). Parents may send in money to the cafeteria OR deposit money online at [MyPaymentsPlus](#).

PARENT VOLUNTEER PROGRAM: There are a number of areas in which parents may give their time to better our school, such as special program assistance, front lobby desk greeter, the Media Center and the front office. Please do your part to become more involved in your child's education at Garrison Mill as home/school partnerships build student success! We invite you to volunteer; we need you! Please contact the school, your child's teacher, or the [Garrison Mill PTA](#) to volunteer during the school day.

PARTIES: [Cobb County Board of Education Administrative Rule JHD-R](#) stipulates that only one party is allowed each year. This party is held just prior to the winter holidays. Please do not request parties at other times of the year. Administrative Rule JHD-R also prohibits delivering or bringing of flowers or bringing balloon arrangements to students at school.

PERFORMING ARTS AND CULTURAL ARTS PROGRAM: We will see a variety of cultural arts programs throughout the school year. A specified donation from parents covers the cost of the programs.

PERSONAL ITEMS: Students are not to bring any personal playthings, novelties, pets, equipment, etc., to school unless given permission by a member of the staff.

PERSONAL REFLECTION: A state law requires public school students be offered the opportunity for a moment of quiet reflection each school day. This opportunity will be afforded to Garrison Mill students daily during morning announcements.

PHYSICAL EDUCATION: Physical Education instruction is required by Georgia law and participation is *mandatory* except for health reasons. A written note from a physician or parent explaining the nature of the illness or injury must be presented to the physical education instructor and state specifically the length of restricted time before normal participation can be resumed. Everyday school dress is acceptable for participating in physical education activities. ***Flat, rubber-soled shoes are required for all PE activities.*** An extra pair of tennis shoes may be kept in the classroom if the student usually wears boots or sandals. This requirement is strictly enforced for safety reasons and prevention of possible injuries.

POLICIES: Current Cobb County Board of Education policies may be found [HERE](#) for your review. The link to Board Education, Board Policy Manual contains information on the district's instructional program, as well as student activities and conduct. Should you need clarification of any rule, please contact an administrator. Local school policy is contained in this *Handbook* and is based on CCSD policy and community input. **Please read each section carefully and discuss these policies with your children.**

SCHOOL CLOSINGS/INCLEMENT WEATHER: Please do not call the school regarding school closings. Cobb County Schools will use CTLS Parent to community with families (text, posts, and/or calls). Additionally, turn to local TV and radio stations for information about school closings or early dismissals. Plan ahead with your children so they will know where to go should the school close before you can get home. Have a friend, neighbor or relative available to supervise children who are delivered home by the bus at an earlier time than usual. Remember **all K-2 students must be met at the bus stop.** (See Transportation for more information.) If you normally pick up your child by car in the afternoon, please have a "backup" plan ahead of time. Teachers will follow instructions given to them by you on the Inclement Weather Plan form should we have an occasion to dismiss prior to our regular time.

For the safety and security of our students, please notify the school in writing of updated phone numbers and names of persons who may pick up your children. On cold or rainy days, please allow your child to ride the bus as usual. Driving your child to the bus stop can avoid having the child stand in the cold or rain. If you choose to bring your child to school on a rainy day, please allow sufficient time so that your child will arrive in the classroom prior to 7:50 am. The tardy bell will not be extended because of weather.

SUSPENSION: *The power of suspension is vested in the school administration and this action is deemed serious.* In every case involving suspension, parents will be notified. The length of suspension may vary according to the factors/ seriousness of the offense and is an administrative decision based on Board Policy. Proper discipline will be

enforced at Garrison Mill, for it is the belief of the administration and staff that children cannot learn in an environment that lacks order. We expect good manners and behavior at all times, and problems will be dealt with in a consistent manner.

TARDIES: Tardies, even by just a few minutes, are disruptive. Children who arrive in the classroom after 7:50am are tardy. Please sign your child in at the office where he/she will get an admittance slip to the classroom. Please make an effort to have your children arrive on time each morning. It is the duty of the principal to monitor late arrival of students.

TELEPHONE MESSAGES/STUDENT CALLS HOME: Please be sure your child has all the instructions and necessary materials for the day prior to leaving for school. Out-going calls by students must be approved. Teachers are unable to receive calls during their instructional day. *Calls to teachers during school hours will go to his/her voice mail and your call will be returned within 24 hours.*

TRAFFIC SAFETY: All precautions are taken at the school to ensure safe crossing, and there is currently a safety officer available for assistance on Wesley Chapel Road. Safety rules should be enforced both at home and in school. We also have a safety patrol to provide for the safety of our children both inside and outside the school. Children must respect and obey all safety officers. *Please refrain from dropping off or picking up students on Wesley Chapel Road AND the bus entrance.*

TRANSPORTATION (to and from school):

- A. **BUSES:** CCSD Transportation has requested that students not ride buses other than their assigned buses. Students must board and depart buses at their assigned stop. All bus changes require this pass which can be downloaded from our school website. All K-2 students must have an adult meet them at the bus stop. K-2 children without an adult waiting at the bus stop will be returned to school. If you choose for your child to be dropped off without an adult, you must notify your bus driver in writing.

Cobb County Bus Rider Expectations

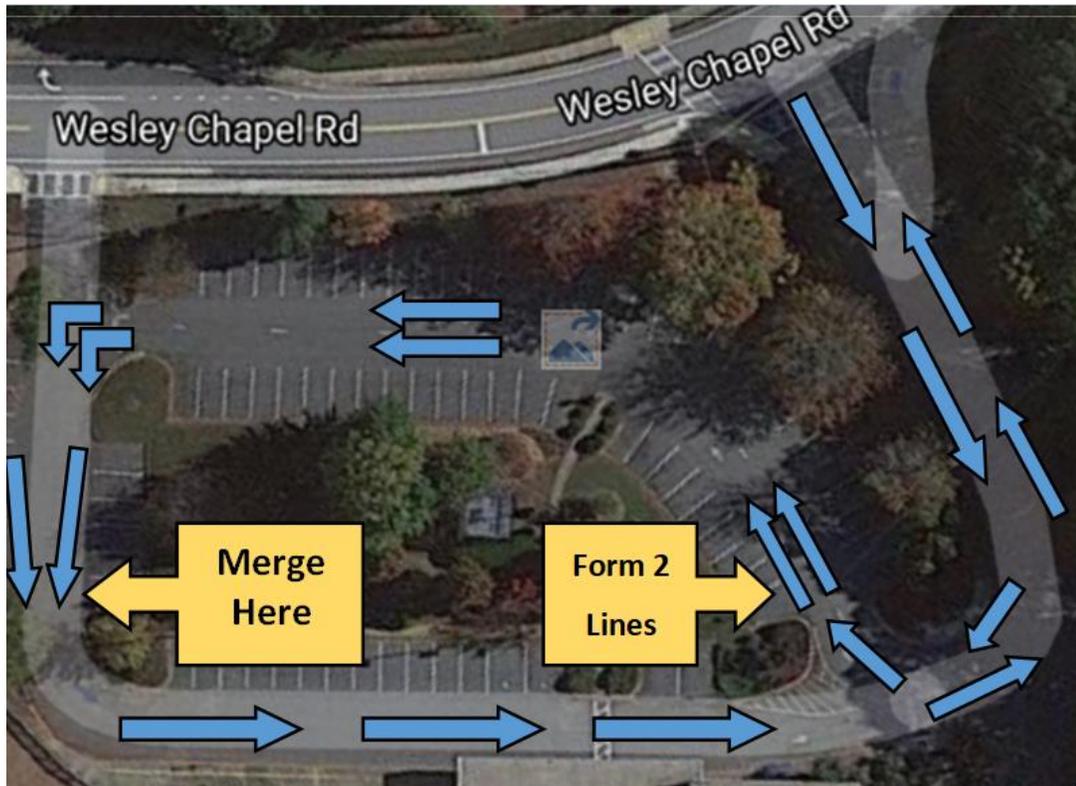

| EXPECTATIONS | ON THE BUS | LOADING AND UNLOADING |
|--------------|--|---|
| "BE SAFE" | Stay seated – back to back and bottom to bottom. Backpack on your lap. Body parts and objects must remain inside the bus. Always walk and use the handrail. Follow driver’s instructions the FIRST time. | Remain 6 giant steps away from the bus when waiting at the bus stop. Wait for driver’s signal before crossing the street/loading bus. Put electronics away. |

| | | |
|--------------------------------|---|---|
| <p>“BE RESPONSIBLE”</p> | <p>Place all items in backpack and out of the aisle. Refrain from eating and drinking on the bus for safety and to keep the bus clean. Report any inappropriate or illegal behaviors to the driver.</p> | <p>Get on and off the bus at your assigned stop. Arrive 5 minutes early to your assigned bus stop. When boarding the bus, go directly to your assigned seat. When exiting the bus, go directly to your home.</p> |
| <p>“BE RESPECTFUL”</p> | <p>Keep all body parts and other objects to yourself. Follow driver’s instruction the FIRST time. Respect the bus by not marking or poking holes in seats.</p> | <p>Keep the bus stop clean. Board the bus one-at-a-time. Respect others around you, including other’s property.</p> |
| <p>“BE PEACEFUL”</p> | <p>Refrain from fighting, horseplay, and pretend fighting. Speak in a calm, soft voice and refrain from inappropriate gestures and language, threats, and bullying. Use ear buds with electronics.</p> | <p>Wait quietly and orderly for the bus. Keep your body parts and other objects to yourself. Follow the Golden Rule – Do unto others as you would have others do unto you.</p> |

Safety rules and regulations have been developed for all bus riders. Each student who rides the bus is expected to obey these rules. When rules are broken, the privilege of riding the bus will be interrupted. We encourage parents to help instill the rules of conduct to bring about an atmosphere of respect and safety for one another. **The behavior of students on school buses is considered an extension of classroom behavior.** Maintaining proper conduct while on the bus shall be the joint responsibility of the student, parent, bus driver and school officials. Students must show proper respect to the driver at all times and obey all driver instructions. Detailed school district bus behavior policy can be found in [Cobb County Administrative Rule JCDA-R.](#)

If the bus driver returns the student to the school due to lack of authorized release at bus stop, the student will check into ASP. Additionally, this procedure will also apply to student not picked up in the afternoon car line.

B. CAR RIDERS:

Please note the double line and merge points on the map. The car line is single file in the drop off zone along the front of the building. Please follow the directions of the staff members to expedite the process.

Current year carpool tags will be required on all vehicles. If you do not have a 2022-23 Garrison Mill carpool tag, you should complete a carpool tag form to receive a new tag or a current year sticker to place on an older tag. The enrolling adult will use this link to access the form: [CARTAG FORM](#). Families will turn in the form at Sneak-a-Peek or in the carpool line and will receive the sticker or tag.

Morning Drop Off – Families will only drop off a child in the designated drop off zone in the front of the school.

Afternoon Pick up – Afternoon carpool students will sit in assigned spots on the Covered Play Area and will be called to their vehicle when it arrives. We have a large number of students for afternoon carpool. We ask for your patience.

- C. **WALKERS:** Walkers will be dismissed from the closed, gate campus gate on Wesley Chapel Road.

Parents will not be allowed to park and pick up their students as a “walker.” Walkers should truly be walking home. A parent may walk to school and escort their child home. A Garrison Mill staff member will be responsible for ensuring students are picked up by an adult. Each year, please complete this [FORM](#) and send with your child(ren) for our records.

VISITOR PASSES: Two of our primary goals at Garrison Mill are to provide a safe and secure environment for all students and to ensure that students have the uninterrupted instructional time to which they are entitled. To help us achieve these two goals we are asking that each visitor obtain a visitor badge before entering the classroom or dining area. We feel that this is imperative in our efforts to keep unauthorized visitors out of the building.

We discourage “drop in” visits to the classrooms. We ***DO ENCOURAGE*** scheduled conferences and welcome your role as a Garrison Mill volunteer! We believe that home/school communication helps create a positive educational environment. This can best be accomplished during non-instructional time.

WEAPONS: Knives, weapons, or look-alikes of any sort are strictly prohibited by the Cobb County School District Administrative Rules. Please review [Administrative Rule JCDA-R](#) regarding weapons.
