What is a School Compact?

This School-Parent Compact for Achievement is a voluntary agreement jointly developed by parents, teachers, and students at Hendricks Elementary. The School-Parent Compact outlines the shared responsibility of the school, parents, and students to support the goals of the Cobb County School District as well as the goals of Hendricks Elementary for improved student academic achievement. It explains how we will work together to make sure all students reach grade-level standards.

Jointly Developed

The parents, students, and staff of Hendricks Elementary school developed this School-Parent Compact for achievement. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.
