

Dear Senior and Parents of Seniors:

As is the tradition at McEachern High School, we will hold a senior assembly on Friday morning, April 19, 2024, at 10:00 AM in the Lovinggood Gymnasium. The assembly will last approximately one and a half hours. The highlights of the assembly are the senior memories video, senior speeches, and the symbolic transition of juniors to the senior class. **As with all senior assemblies, students must not only dress appropriately according to the dress code in the Student Handbook, but they should also adhere to a heightened standard of appearance and dress appropriate to the occasion. Boys should wear dress slacks/khaki or jeans pants with a collared or polo style shirt. Girls may also wear dress slacks or khaki pants and a collared shirt, or they may wear a dress of the appropriate style and length according to the school dress code. Students may not wear the following items: shorts, pants or jeans with holes or rips, leggings or other skin-tight pants, flip-flops, or other informal footwear such as tennis shoes, slippers or house shoes. No headgear such as caps, hats, bandanas, hoodies or dew rags. Electronic devices should be placed on "silent" and not be visible. This also includes air pods. Any student out of dress code will not be allowed to attend this assembly and will be sent back to their class. Remember that the purpose of this day is to honor our students.**

Parents are invited to attend this assembly and should arrive between 9:45 AM and 10:00 AM. After the assembly, students will return to their scheduled classes. If you want to allow your student to check out following the assembly, please complete the early dismissal request below and return it to the Career Technology (CT) Office no later than Wednesday, April 17, 2024. After the April 17 deadline date, students must bring a note from their parents to check out at the attendance office. Any senior who leaves without properly checking out will be considered skipping and will be given school consequences.
