

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students meet Georgia grade-level standards.

Jointly Developed

All parents, students, and staff at Smyrna Elementary are invited to be involved in the review and approval of the compact. Teachers suggest home learning strategies, and parents and students share ideas about what will help students learn. A Title I parent input meeting is held twice a year, and parents' feedback is welcome.

Parents are welcome to contribute comments at any time.

Please contact
Sharon Arduino at
sharon.arduino@cobbk12.org or
please call at 678-842-6741.

Building Partnerships

Throughout the year parents will have opportunities to partner with the staff at Smyrna to enhance their understanding of the standards as well as the curriculum and to celebrate student success. Some events to look forward to:

- PTA Meetings
- Parent/Teacher Conferences
- Parent Workshops
- Volunteering
- Open House
- Watch D.O.G.S
- All Pro Dads
- Smyrna Elementary Foundation

Detailed information will be sent home and made available on the school's website.

Communication

Student-Parent-Teacher Conferences:

Student-Parent-Teacher conferences will be held in October 2020. During the conferences, students may help to facilitate conferences by sharing their goals, accomplishments, and challenges with parents and teachers.

Communication Regarding Student

Progress: Parents will receive weekly correspondence from teachers regarding student progress. Academic alerts will be sent at the 4 ½ week mark of the grading period if there are any concerns. Report cards will be sent at the end of each 9-week grading period.

CTLs Parent Portal: Information, reminders, curriculum updates, and important dates are dispersed to parents through this system. This system has the ability to translate information to the user's primary language.

Volunteer Opportunities: Parents are invited to volunteer and assist in the classroom by contacting the classroom teacher by phone or email. Parents may also contact Ana Riley at anayansi.riley@cobbk12.org or by phone (678)842-6741 for more information.

Goals for Student Achievement

Cobb County School District Goals

Increase student performance in all core content areas by 2% annually as measured by achievement data. CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CTLS Parent data, survey results & web view module.

By 2023, we will reorganize the PL framework to meet the needs of all schools to ensure alignment with Superintendent Priorities as measured by PL opportunities, surveys, and student achievement.

By the end of 2025 school year every school will have identified practices and resources that support student success as measured by student academic, perception or discipline data.

Smyrna Elementary Goals

Reading: Increase by 5% the number of students reading on grade level as measured by RI and Next Step Forward in Guided Reading Assessment (K-2) during the 2021-2022 school year.

Math: Increase by 5% the number of students performing on grade level in math as measured by MI (Proficient or Advanced) during the 2021-2022 school year.

Focus Area

Reading

- Read 3rd grade level text fluently.
- Comprehend informational and literary text on a third-grade level.
- Ask and answer who, what, when, where, and why questions on third grade texts.

Math

- Our focus is for each child to develop conceptual understanding and fluency with basic math facts in addition, subtraction, multiplication, and division.

Teachers, Parents, and Students – Together for Success

In the Classroom Teacher Will:

The third-grade teachers, specialists, and support staff will work with students and their families to develop student competency according to grade level standards.

The teachers will:

- ✓ Teach strategies for reading and comprehending fiction and nonfiction texts, and support students in selecting reading material for nightly reading.
- ✓ Send home monthly newsletters informing parents about the skills students are learning in reading.
- ✓ Encourage students to track their reading using Beanstack or provide reading logs.
- ✓ Provide students with math strategies that support conceptual understanding and fluency.

At Home Parents Will:

- ✓ Ensure that the student reads each night. Engage in conversations about the book the student is reading to support comprehension.
- ✓ Read the monthly newsletters to gain a better understanding of the skills students are learning in reading.
- ✓ Encourage students to keep track of what they read using Beanstack or a reading log.
- ✓ Encourage the use of math strategies that are used in class. Provide opportunities to solve real world math problems

The Students Will:

Smyrna Elementary students can succeed in school and meet our school goals in all the areas. As a student, I can:

- ✓ Bring home reading material and read each night.
Talk to my parents about what I read and the strategies I used.
- ✓ Tell my parents what I am learning at school in reading.
- ✓ Keep track of my reading using Beanstack or a reading log.
- ✓ Engage in daily guided math small groups. Use math strategies from class to solve math problems.
