

# STOCK MARKET CLUB

Stock Market Club aims to educate a generation about the do's and don'ts of the Stock Market. Members will meet once a week to discuss and theorize about the latest developments in the stock trading world, bringing their own unique knowledge to the table. We will also split into groups, playing a Stock Market Game, competing to see who truly is the Master Investor

Sponsor: Robert Thomson

Remind: @smclub22

Meetings: Every Tuesday Morning in Mr. Thomson's Room  
(300 hall)
