We are unable to verify the identity of the person making the change over the phone, so identification must be provided to make any transportation changes.
Attendance – Student
The law requires regular school attendance for all children between the ages of six and sixteen. Regular attendance means the student is present at school during the entire school day and has very few absences. Parents, we ask your cooperation in planning appointments and family vacations around the school/student holidays. If a child comes to school after 11:05 a.m. or leaves before 11:05 am, he/she is counted absent for that day. Parents bringing students to school after 7:50 am must sign student in for the day and he/she is tardy.

Absences must be followed by a written explanation or a doctor’s note to the teacher as to the reason for the child’s absence. Excused and unexcused absences are governed by state law. Reasons for excused absences include illness, death within the child’s immediate family, recognized religious holidays observed by the child’s faith, or conditions which render school attendance impossible or hazardous to the child’s health or safety. Excuses provided three days after the absent are unexcused.

Breakfast/Lunch Program
Families needing meals at a free or reduced rate must complete the application to determine eligibility using link: Family Meal Application Information (cobbk12.org)

Communication
Effective communication between the school and the home is essential to the successful operations of our educational programs and the success of our students. The delivery of information to the home is a responsibility that must be shared.

All school-wide, county, and other parent correspondence will be sent through the CTLS Parent or sent home with your child. Teachers will use communication
folders and CTLS for daily home/school communication. Please check your child’s book bag daily, listen to the phone message, and check CTLS when they are sent.

If your address, phone number or email address at home or work changes, please make changes in ParentVue, call the school at 770-819-5851 or contact the teacher with the new information. If you need help with ParentVue activation, contact either amy.ford@cobbk12.org or ANNETTE.DANGERFIELD-LEWIS@cobbk12.org.

*Parents/Guardians, it is extremely important that we are always able to contact you, especially in case of an emergency with your child.*

**Discipline**
We believe that establishing and building a positive relationship with students is key to creating an atmosphere of caring that is based on kindness with firmness, dignity, and mutual respect. A student’s chance of learning will be enhanced in a classroom with discipline and order. Our school follows the PBIS (Positive Behavioral Interventions and Supports) model for student behavior. Using this model, we have created a schoolwide plan, Riverside Students **ROCK**. They are **Respectful, Outstanding, Cooperative, and Kind**.
