

Kell AP Parents and Students,

You are receiving this communication because your student is registered to take one or more AP Exams this May 2023.

AP Exam Review & Mock Exam Opportunities

AP Exams are the first two weeks of May, and our AP Teachers are working hard to ensure our Kell students feel confident and prepared going into these tests. Please visit the Kell AP Program page for more information about review sessions and Mock Exam opportunities this week and next week:

<https://www.cobbk12.org/kell/page/1030/advanced-placement>.

AP Exam Information

AP Exams begin soon! They are May 1 – May 12, 2023. Please review the information below so that you are informed and prepared for your tests. Please direct any questions to an AP Teacher or Amelia Sanders, AP Coordinator.

- Please see the AP Exam schedule on the Kell AP Webpage and note the date and time of all exams for which you are registered:
 - <https://www.cobbk12.org/kell/page/1030/advanced-placement>
- What to bring to the exam:
 - #2 pencils (not mechanical)
 - Blue or Black ink pens
 - Calculator (if needed for the exam)
 - Dress in comfortable clothing and layers in case the room is too cold/hot
- Test Check-In Time & Procedures:
 - Morning check-in at 7:30am
 - Afternoon check-in at 11:30am
 - Report to the upstairs Gym/English hallway corner – check-in and holding will be here before students are permitted in the testing room.
 - All testing will occur in the Auxiliary gym or room 2201. Locations will be shared by your teacher and at check-in on your testing day.
 - Students can bring a drink and a snack but will only have access to it at the break.
 - No bookbag or phone access will be allowed until all exams have been collected and students have been dismissed at the end of the testing period.
 - All electronic devices are best left at home or in vehicles on testing day. If students bring devices, they will be directed to turn them off and place them in their bags or a communal bin (if the student does not have a bookbag or purse). Ringtone disruptions and phone access during a test are considered testing irregularities and can invalidate all tests.
- Lunch will be provided in the cafeteria between 11:10-11:30 am to those students taking 12pm exams. Students need to make their 2nd block teacher aware of any need to leave early for lunch ahead of test day.
- The 2023 AP[®] Exam Terms and Conditions are available to review at [College Board AP Exam Terms](#). Students need to review the AP Exam Terms and Conditions prior to testing; they will be bound by these and asked to sign acknowledgement of these on exam day.
- Students are not permitted to begin an exam late, so it is imperative that they arrive at the noted check-in time. If a student misses an exam, they must contact the AP Coordinator immediately.
- If students do not show for the exam or cancel an exam, they will be charged a \$40 cancellation fee.
