

# **The Maverick Minute**

Parent Edition – 8/13/23

# **Principal's Note**

McClure Families,

I hope that everyone had a great weekend! Coming up this week is our annual <u>Open</u> <u>House</u>. This Thursday, August 17, from 6:00 to 8:00 pm, please plan to visit McClure so that you can follow your student's schedule and meet all their teachers. The relationships our staff builds with our parents is nearly as important as the relationships we build with our students. We are blessed to be in a community that so actively supports what we do inside McClure from home. Thank you for being an integral part of our team!

Speaking of engagement, we are now fully into the swing of the school year, so it is time to start monitoring grades and behavior. Grades can be monitored through <u>ParentVue</u>, but you need the PBIS Rewards Family App to keep an eye on your student's behavior. This week we sent out an electronic letter (<u>Sample Letter</u>) inviting you to join <u>PBIS</u> <u>Rewards</u>. What is PBIS Rewards? You can see <u>This Video</u> for details, but it's our way of recognizing students for being Determined, Accountable, Respectful, and Excellent. We also use this platform to document minor behavior infractions. So, check your email (spam too) for the PBIS Rewards welcome letter, download the app, and see how you can help your student *DARE to Be a Maverick*!

Sincerely, Cory Stanley

## Instructional

- **Universal Screeners** Each student at McClure is in the process of completing the Math Inventory and the Reading Inventory. These assessments give students and teachers feedback on where each individual student is on their learning path. Also, the scores from these assessments help us with class placements. You can see the <u>Reading Inventory Information Sheet</u> and the <u>Math Inventory Information</u> <u>Sheet</u> to help you understand where your student is performing.
- **CTLS Learn** All teachers at McClure post daily assignments on their Class Boards in CTLS learn. Each teacher's CTLS Class Board serves as their blog. Did you know that you can see these too? See <u>This Document</u> for instructions on how to do so!

# **Operational**

- **Open House** Our annual Open House will be Thursday, August 17 from 6:00 to 8:00pm. Please plan to join us so that you can follow your student's schedule and meet each of their teachers! See <u>This Flyer</u> for details.
- **Picture Day** Our picture day is this Tuesday, August 15. You can order online at: <u>www.strawbridge.net</u> using the online code: FM419754. Don't miss this opportunity to capture your kiddo!
- PBIS Rewards Family App Grades can be monitored through <u>ParentVue</u>, but you need the PBIS Rewards Family App to keep an eye on your student's behavior. This week we sent out an electronic letter (<u>Sample Letter</u>) inviting you to join <u>PBIS Rewards</u>. What is PBIS Rewards? You can see <u>This Video</u> for details, but it's our way of recognizing students for being Determined, Accountable, Respectful, and Excellent. We also use this platform to document minor behavior infractions. So, check your email (spam too) for the PBIS Rewards welcome letter, download the app, and see how you can help your student *DARE to Be a Maverick*!
- **Bus Passes** Students in CCSD used to be able to get a pass to ride the bus with another student, however, this is no longer the case. Students must ride their own buses home in the afternoon and get off the bus at the stop closest to their own residence.
- Item Drop-off At McClure, we do not interrupt instructional time for items that are dropped off for students. Therefore, item drop-off should only occur in emergency situations. Middle school students are at the age when it is a good time to learn the hard lesson of, "Oops, I left that at home. I'd better remember it next time." Students will be fine at school without the following items being dropped off to them: musical instrument, student laptop, PE clothes, and lunch (we will make sure they get lunch). Thank you for your support on this!
- Attendance Corner Have questions on how to submit an absence note or checking a student out of school. See the <u>Attendance</u> <u>FAQ</u> for all your attendance answers!
- Student Check Out Our front office team reminds you that all visitors and parents should bring their ID into the building with them whether they are just visiting or coming in to check a student out of school. This will save you a trip back to the car!
- Yearbook Order your yearbook early in the year and save! Use <u>This Link</u> to pre-order your book. The current price is \$35, but it will go up on September 1st. As an added bonus you also have the option of personalizing the front cover, but only if you order this month!
- Field Trips There is a new system for field trip permission and paperwork across CCSD and the system is 100% digital. Parents will be granting permission for field trips and uploading insurance information through <u>ParentVue</u>. See <u>This Document</u> for instructions on how to do so! (Don't worry, we will continue to share this directly to any parent involved in an upcoming trip.)

#### **PTSA**

Staff Treat – The teachers are back in the building, and we want to take them even further back to THEIR own middle school years! Help us jog their memories with snacks from the good old days! Please sign up <u>Here</u> to donate your favorite snack. All donations can be dropped off in the Front Office (look for the collection cart). Please bring in snacks by the end of the day on Wednesday, August 16th. The hospitality team is very grateful for your help!

Not only are you allowing the teachers to enjoy their lunch, but you get to say hello to your child during their lunch period. More details on the <u>Sign-Up Genius</u>.
