

The Maverick Minute

Parent Edition – 8/21/22

Principal's Note

McClure Families,

I hope that everyone had a great weekend and that students are ready to get back to work tomorrow! After spending a week out of the building due to illness, I am definitely ready to get back McClure to observe all of the amazing teaching and learning that is going on. Entering the fourth week of the school year, you will be seeing more grades in the gradebook for each of your student's classes. So, now is a great time to check [ParentVue](#) to make sure those grades are meeting your expectations. We will be halfway through the first quarter before you know it!

Thank you to all that came out to Open House this past week. We truly appreciate the engagement of our parents at McClure. Pushing each of our students to their absolute best is a team effort, and we are truly thankful for all that you do supporting our students at home. Have a great remainder of your weekend. I look forward to seeing all our students back in class tomorrow!

Sincerely,
Cory Stanley

Instructional

CITA Saturdays – The Cobb Innovation & Technology Academy holds many options for students seeking a different high school path. Might your students be interested in one of these pathways? Register them for a CITA Saturday so that they can learn more. See [This Flyer](#) for details!

CTLS Parent Access – Parents can now see what their student sees in CLTS without having to use their student login. If you are ever thinking, "I wonder what my student has for homework tonight." This will be a great way to check. All McClure teachers post their daily assignments and activities on their CTLS Class Board. See [This Resource](#) on how you will be able to view your students CTLS screen.
