2023-2024 Work-Based Learning Application

If you are interested in WBL for the 2022-2023 school year, please complete the following application. The interest form must be completed prior to registration. Teacher recommendations must be completed along with application. Turn completed application into Mr. Wright.

Requirements: All Work Based Learning must meet the following requirements

1. Be on track to graduate (rising Junior or Senior)
2. 2.50 GPA or higher
3. Must have complete at least 1 CTAE pathway course
4. Current employed or seeking a paid or non-paid internship (must have placement by time school begins in August)
5. Placement must be relevant to career interests and course work (can include career courses, JROTC and AP classes)
6. Must have transportation to and from work site
7. Must leave campus each day at required time unless otherwise instructed by WBL Coordinator

Course Description: WBL is a course that enables students to participate in a mentor-supervised, on the job training experience for career awareness and exploration. Students select a specific career field or industry’s entry level job in which to participate. The Work-Based Programs Coordinator visits the job mentor to assess student performance and supervises the student in skill development. The student will maintain a portfolio containing records of weekly hours on the job, completed program participation forms and other required materials. Student may be placed in a paid or non-paid, mentor-supervised, on-the-job training experience.
